

The Credit Village Marina, a city owned and operated facility located in picturesque Port Credit (Mississauga), is the home of the Twelfth Annual Port Credit Outdoor Art Show. This non-profit, juried show was created to bring art to everyday people in an informal and fun atmosphere.

EXHIBITOR SPACE

The space is 10'x10' and is restricted to one artist per space. Hydro is not provided, however you are welcome to bring your own quiet generator. Artists are responsible for their own display equipment, including table, chairs and canopies. The number of spaces provided is limited.

Canopies are mandatory and must be anchored in case of wind. (This will be checked at set up)

EXHIBITOR SET-UP AND TAKE DOWN

This is an outdoor show! In the event of inclement weather, artists must make their own provisions for shelter.

SELECTION OF WORK

To maintain a high quality exhibition, a panel of jurors made up of artists and art professionals will review all the applications. Submitted artwork will be judged based on originality in conception, design and quality of workmanship.

The exhibition is open to works of painting, sculpture, ceramic, glass, photography, multi-media computer generated, mixed media, jewellery, wood, fiber and metal.

Only original art forms will be considered for display. Photo lithos, posters, cards and T-shirts are only allowed if it is of your original work and makes up 20% or less of your display.
